# The power of Versatility

Neo is an ideal solution for many different settings: collaborative, huddle, hot desking, and other impromptu spaces. It can be the star of a transition to an ergo-friendly office or an impressive part of the supporting cast

# Neo Benefits For Health .

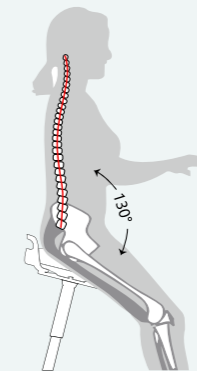

Neo chair actively promote correct spinal alignment.

A sit-stand chair allows you to work upright and maintain a good posture while taking the weight off your feet at the same time. Essentially, with a sit-stand chair, you can easily stand even without the physical stamina and energy needed to maintain that posture.

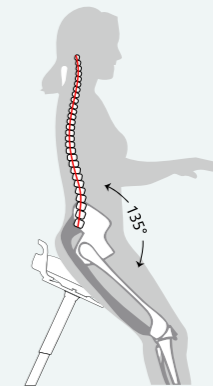

Neo is a new concept sit stand chair, different from the traditional office chair, this chair is actively promote correct spinal alignment and improve blood circulation. It could be in good status of work for a long time.

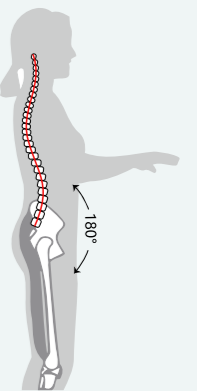

**360 Swivel**  
Move with you for balance

**Mobis**  
Posture: Perching

**Locus Seat**  
Posture: Leaning

**Standing Desk**  
Posture: Standing

## Higher Concentration Levels.

Feeling more energized and working more efficiently.

Sit stand chairs facilitate a heightened range of movement in a 3D space. Working from a perched position means you can lean forwards, backwards and to the sides, unhindered, and to a far greater degree than with a traditional chair. Some sit stand chairs even follow and support you as you lean, which enhances your movement and maximises your extension.

Protection Against Lower Back Pain

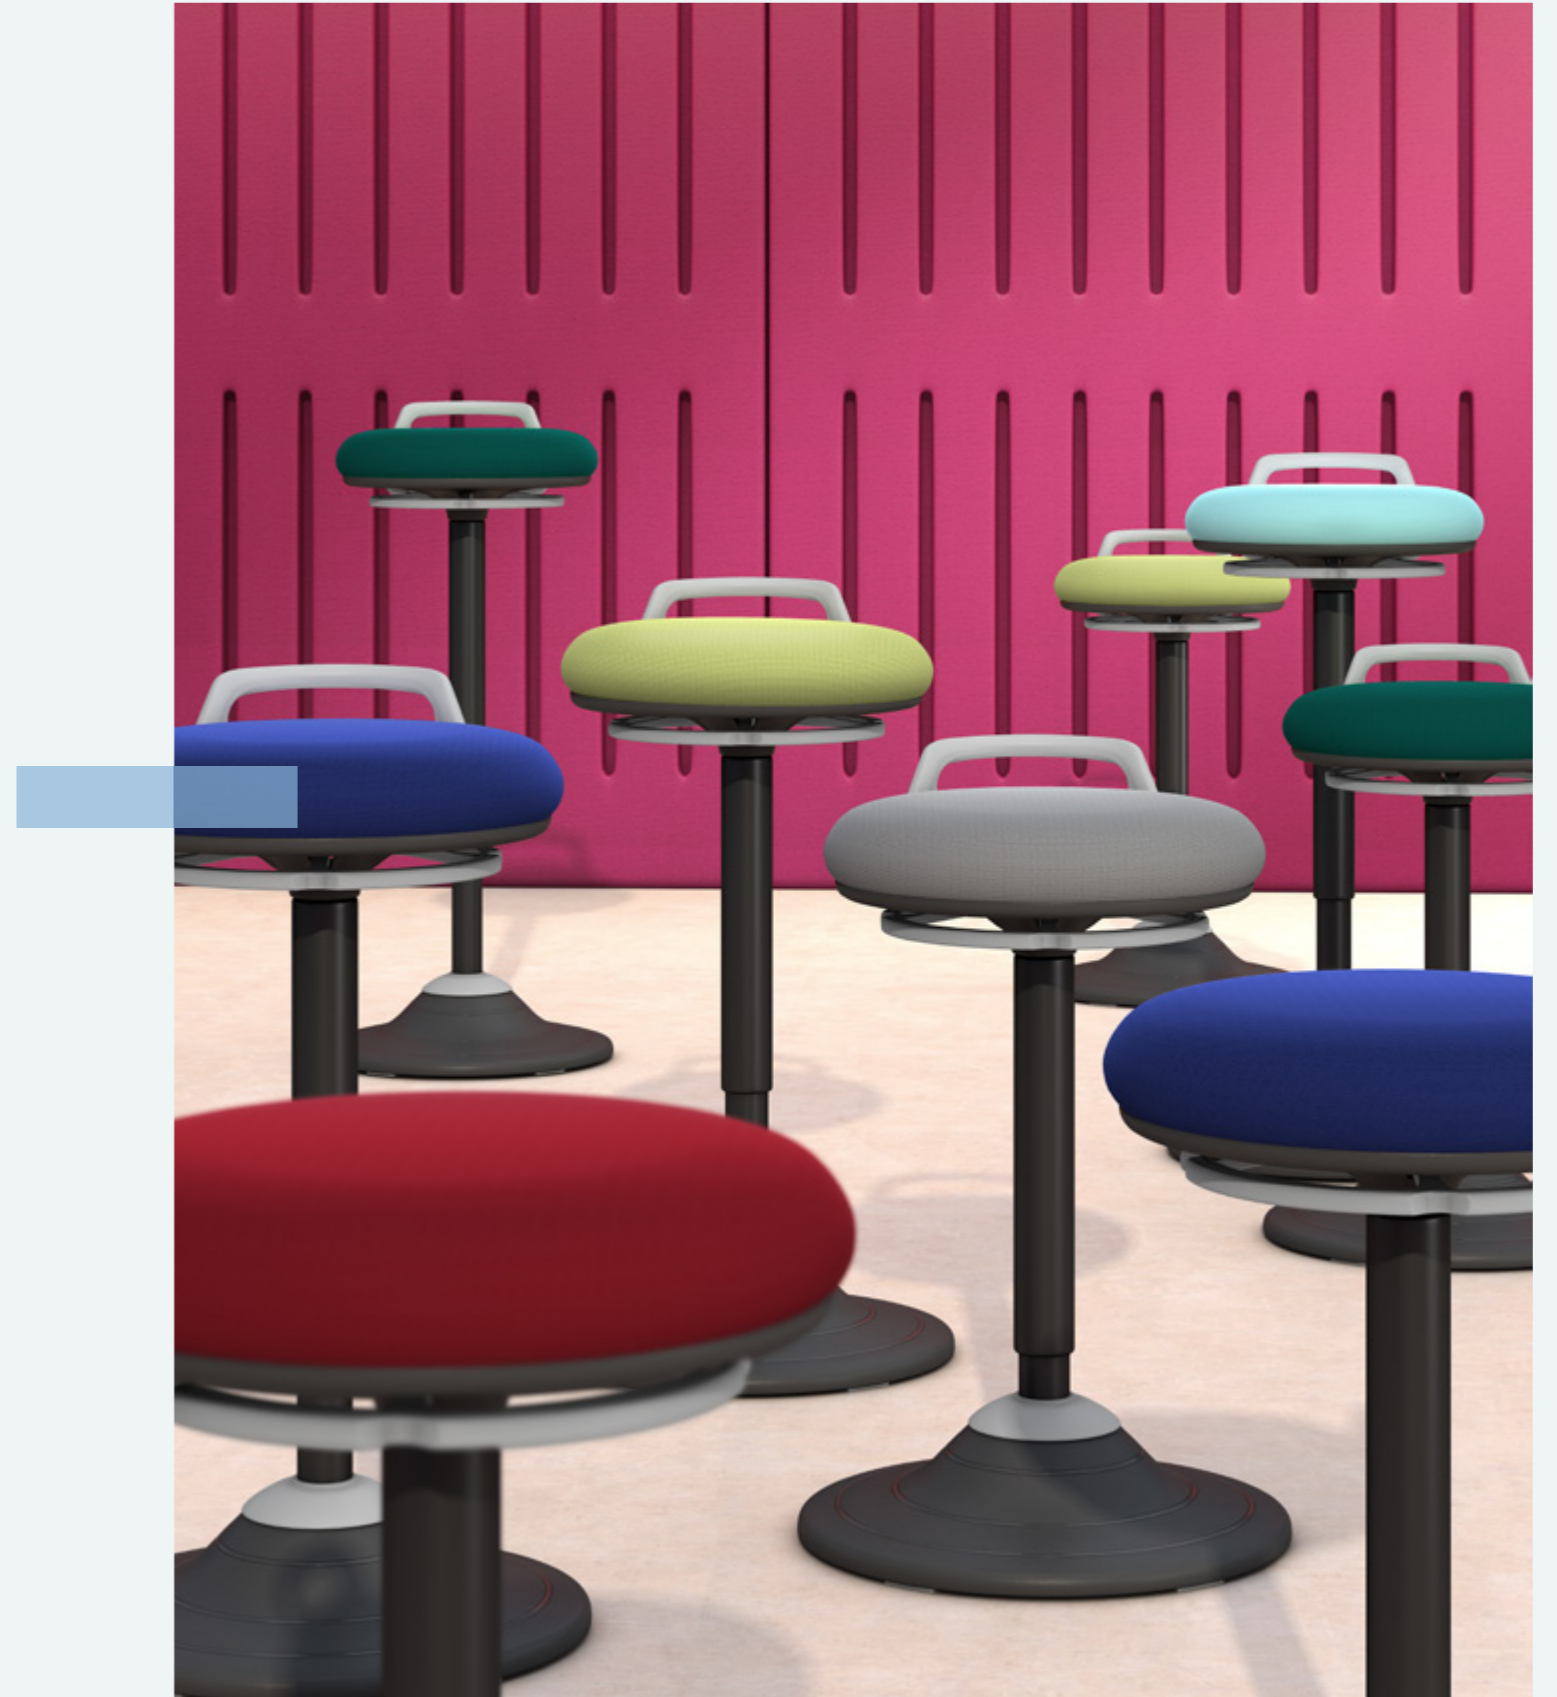

# Various Height

## No other task chair is so well adapted to Sitting at different heights

Neo meets the modern demands of seating with comfort and style. He has an adjustable seat height, which allows you to switch between sitting and standing.

To meet the needs of different people, Neo chair gaslift has two optional strokes, 160 and 260mm. It could be choosed according to your needs.

Neo seat height adjustment allows users, whether tall, short or in-between, to adjust their chairs for maximum comfort. The gray paddle is for height adjustment and the round design is easy to reach. It makes you easy to adjust the seat height.

# Neo Sit-Stand Collection

Neo chair is 360 degrees swivel, we can move it for our balance. Long time sitting is a serious challenge for us. We need such sit stand chair to help to save our spine.
